Product: F01-13 Victoria 650ml Vacuum Flask

Digital Print Wrap Area: 215mm H x 233mm W

*** Keep all essential information within the red box**

Full wrap designs may have a visible seam/join where the artwork meets. Exact alignment cannot be guaranteed.

Note for the Green circle: Artwork printed on irregular shaped bottle will naturally adapt to the 3D shape of the product.

Visual variations such as stretching, compression, or curvature may occur once printed and are a normal characteristic of rotary printing.
